Street Renaming Asked by Board

Recommendation that Valerie St., be renamed Anza Ave., to correspond with the street's designation to the south and north, was made to the City Council by the Traffic Commission.

At the same time, the group proposed that the street be posted for a 35 m.p.h. speed limit.

The commission also proposed a number of boulevard stop signs and a lantern type signal at the intersection of Arlington Ave. and Sepulveda Blvd. This signal was requested for priority after the signals at Torrance Blvd. and Anza Ave., and 182nd and Prairie Ave.

Campbell Heads Science Teachers

Stated to preside over the Southern California Science Teachers Association for the 1958-60 school year is James Campbell, El Camino science instructor and counselor.

A graduate of the University of Illinois, Campbell obtained his MS degree from the University of Southern California and has taught at El Camino College for two years. During the 1957-58 term he served as vice president of the SCSTA and was chosen as representative to the National Convention in Denver, Colorado.

The first automobile to use the steering column gear shift was the Benz in 1893, reports the Automobile Club of Southern California.

Hazard Building Ordinance Drafted

An ordinance which would empower the City Council to place restrictions against building in certain hazard areas of the city, will be submitted Tuesday.

The law was proposed by the public works department, to prevent persons from constructing buildings in areas which are considered danger areas, presumably from flood conditions during the rainy season.

The ordinance was proposed to cover areas not now designated by the building ordinance.

Square Dance Class

A new square dance class for adults will start Oct. 13, sponsored by the Rolling Squares Dance Club.

Classes will alternate between Malaga Cove, Palos Verdes and Dapplegray Schools on Mondays at 8:30 p.m., Larry Ward will be the caller.
